HISTORIC PRESERVATION: A BIBLIOGRAPHY

Gary L. Menges
Associate Fine Arts Librarian
Cornell University

INTRODUCTION

This bibliography is focused on the preservation of historic buildings, sites and towns. Only English language publications are included and the emphasis is on preservation in the United States.

Compilation of the bibliography drew on the resources of the Cornell University Libraries and especially the Fine Arts Library. A section of additional references not examined is appended.

My thanks to Mrs. Pamela Silverstein and Mrs. Ann Semmelhack of the Fine Arts Library staff for their typing assistance.
